## Playhouse Christmas Special Offer

There is no need to stress this Christmas. The Playhouse Company have the perfect playhouse to make your little ones' day extra special. With exclusive offers and guaranteed Christmas delivery, it couldn't be easier.

Children can enjoy a garden play house any time of the year. It is a safe place where their creativity and imagination can thrive. The Playhouse Company have been specialising in designing and building children's playhouses for 20 years. They have extensive experience in building anything from kids tree houses, large garden play houses to small Wendy houses.

Now in the big lead up to Christmas, they have built extra playhouses which are ready to be delivered and installed. They have been built in exactly the same way and to exactly the same specification as all their bespoke playhouses. However, because of the cost advantages of building a few playhouses the same, they are pleased to pass on the saving to you with four **SPECIAL OFFERS**.....
