

## Butterfly Bundle

Reference:BP110320

Price: £1,265 (exc. VAT)

**Playground Planters are super for novice gardeners, they provide improved drainage, an increase in soil temperature, are great for growing a variety of plants and allow improved access; all of which minimise potential “hassle and disappointment” factors in gardening and help create a positive learning experience for children.**

We offer three different sets of planters to help you find the variety of sizes and heights to suit your particular budding gardeners.

The Butterfly Pack is ideally sized for early learners, there's variety in shape and height so children can have fun deciding not only what to plant but can talk about the different planter shapes and share ideas about how to arrange them in the playground.

Our Butterfly planter pack consists of:

- 1 x 1.2m diameter, 625mm high octagonal planter
- 2 x 1.2m x 0.6m x 625mm high rectangular planters
- 2 x 1m x 1m x 425mm high square planters
