

## Square Planter

Reference:BP500174

Price: from £345 (exc. VAT)

**Gardening is a great way to stimulate children's senses and our playground planters allow schools to introduce the idea of gardening to children in a way that's not overwhelming or insurmountable but fun and interesting.**

Children can be involved in every aspect of "planter projects" from choosing what to grow to sampling the end results and there are plenty of great online resources that offer great advice for young horticulturalists through-out the year.

Our square planters are available in a three different sizes, each available in two different heights allowing you to choose what best suits your children and your playground and have a variety of sizes within the same location so that children of different ages can work together.
