

Picnic Bench

Reference:LC151152

Price: £340 (exc. VAT)

Strong, sturdy and sociable, Little Chunky Picnic Benches are a super addition to playgrounds. Providing a spot for some alfresco dining or just a great place to sit and natter at break time.

There's more to a picnic bench than a picnic though; not only do they provide a designated space for outdoor snacks or lunch, keeping children off hard concrete or damp grass, picnic benches have lots of other functions too.

Picnic benches can also be a space where any playground "time out" is taken, where outdoor crafts are practised and they even provide a useful place for all sorts of play equipment during break times.

You'll wonder how you coped without them.

Picnic Benches are free-standing and arrive assembled and ready for immediate use.
