

Regular Ground Sandpit

Reference:SP500122

Price: £390 (exc. VAT)

Sand is a great sensory resource for Early Years Learners, allowing children to create an imaginary world with the simplest of toys and helping them develop hand/eye coordination as they dig and build.

Ground sandpits have a small ledge or lip surround which can be used as a seat allowing children to sit and bury their feet in the sand.

Regular Ground Sandpits are available in three different sizes with a choice of wooden or canvas lids.
